The Arizona Department of Environmental Quality (ADEQ) is pleased to visit Southeastern Arizona to provide information and answer questions on two important grant programs administered by ADEQ - Brownfields and Recycling. This informal session is welcome to all, including representatives of local and tribal governments, business and industry, and non-profit organizations and residents.

Do You:

Own or control property for which a planned redevelopment project may be complicated by pollution or of pollution perceived to be on a property; or

Have an interest in recycling, source reduction or projects that will educate residents about recycling opportunities?

If So:

We invite you to join us for this informational session.

Directions: From AZ-90, turn South on Coronado Drive, turn East on E. Tacoma Street, end at 2600 E Tacoma St., Large Conference Room.
